Attendance is mandatory. You will be assigned to attend an Academic Coaching session on a predetermined day of the week. The purpose of this session is to:

- Review documentation of paperwork (e.g., time logs, weekly progress reports, product approval form).
- Share experiences , ideas, suggestions with others in the class.
- Discuss quality of the experience and seek support and enrichment as needed.
- Discuss and review your Research Focused Question (RFQ).
- Discuss and review your ideas for your Final Product.
- Discuss site visits.
- Review policies and procedures for completing and submitting your Final Product and documentation packet.
- Work on outline for Part Two for your Senior Workshop Paper.
- Seem samples of student portfolios.

Every time we meet you must have your time logs, reflective logs and other paperwork as needed from the previous week.

You must bring your Senior Mastery Process binder that contains all documents. At each session, you will accumulate a certain number of points for your paperwork and your submitted documents will be marked off on your Practicum Coordinator's checklist.

The points will count towards a major portion of your final grade. If you miss a session, you will miss the opportunity to earn points. You will not have the opportunity to make up points from a missed session.
