HENRY FORD ACADEMY: POWER HOUSE HIGH
SENIOR PRACTICUM
ADULT PARTNER AGREEMENT FORM

Dear Adult Partner:

Thank you for volunteering to offer a Power House High student the opportunity to complete his or her Senior Practicum under your guidance and leadership.

We at Power House High believe that the entire learning community, including business such as yours are valuable allies in the process of enhancing students' education. Together we can facilitate the process of students becoming self-initiated learners, and productive, contributing members of society.

Your signature at the bottom of this form will indicate that the student has discusses his or her research focus area with you, and that you have agreed to work with this student as an Adult Partner. Please refer to the attached list of Adult Partner Responsibilities for further clarification.

Ultimate approval of the student's agreement to work with you will be with Power House High. I will contact you to discuss further your potential participation in our Senior Practicum. If approved, we will work out a schedule for the student to work with you based on your schedule and the student's school schedule.

If you have any questions, please contact me at either (312) 404-7105 (cell), (773) 533-7600 (school), or jkerr@powerhousehigh.org.

Sincerely yours,

Janette Kerr
Program Director
